S5-02		
S5-03		
S5-04		
S5-06		
S5-07	SHEET ADDED TO SHOW FRAMING AT STEEP SLOPE ROOF AREAS	
FIRE PROTECTION		
F0-01	Added a revised 61G15 notes.	
F0-02		
F0-10		
F1-10	Added Fire Department valve in cabinet.	
F1-11	Added Fire Department valve in cabinet.	
F1-12	Added Fire Department valve in cabinet. (Revised reference notes for garage and fire pump)	
F1-13	Added Fire Department valve in cabinet.	
F1-14		
F1-20	Added Fire Department valve in cabinet.	
F1-21	Added Fire Department valve in cabinet.	
F1-22	Added Fire Department valve in cabinet.	
F1-23	Added Fire Department valve in cabinet.	
F1-24		
F1-30	Added Fire Department valve in cabinet.	
F1-31	Added Fire Department valve in cabinet.	
F1-32	Added Fire Department valve in cabinet.	
F1-33	Added Fire Department valve in cabinet.	
F1-34		
F1-40	Added Fire Department valve in cabinet.	
F1-41	Added Fire Department valve in cabinet.	
F1-42	Added Fire Department valve in cabinet.	
F1-43	Added Fire Department valve in cabinet.	
F1-44		
F1-50		
F1-51		
F1-52		
F1-53		
F1-54		
MECHANICAL		

M0-01		
M1-10	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-11	Removed equipment in garage as this is shown on the garage permit set.	
M1-12	Removed equipment in garage as this is shown on the garage permit set. Added guest unit type.	
M1-13	Removed equipment in garage as this is shown on the garage permit set.	
M1-14		
M1-20	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD. Moved supply diffuser back to other side of 2 hour wall.	
M1-21	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-22	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD. Added guest unit type.	
M1-23	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-24		
M1-30	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD. Moved supply diffuser back to other side of 2 hour wall.	
M1-31	Removed equipment in garage as this is shown on the garage permit set.	
M1-32	Removed equipment in garage as this is shown on the garage permit set. Added guest unit type.	
M1-33	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-34		
M1-40	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-41	Removed equipment in garage as this is shown on the garage permit set.	
M1-42	Removed equipment in garage as this is shown on the garage permit set. Added guest unit type.	
M1-43	Removed equipment in garage as this is shown on the garage permit set. Revised locations of FD and FSD.	
M1-44		
M1-50		
M1-53		
M1-54		
M1-60		
M1-61		
M1-62		
M1-63		
M1-64	Added hallway mini-split CU's on the roof.	
M5-01	Revised FCU/CU-10, AC/CU-3 tag and added RD note to exhaust fan schedule.	
M6-01		
M6-02		
M6-03		
M6-04		
M6-05		
M7-01		
M7-02		
M7-03		
M7-04	Adjusted bathroom fan location.	
M7-05	Adjusted bathroom fan location.	
M7-06	Revised clubhouse HVAC layout per added structural beams.	
PLUMBING		
P0-01		
P1-10	Removed work in garage as this is shown on the garage permit set.	
P1-11	Removed work in garage as this is shown on the garage permit set.	
P1-12	Removed work in garage as this is shown on the garage permit set. Revised clubhouse. Added guest unit type.	
P1-13	Removed work in garage as this is shown on the garage permit set. Revised clubhouse. Added guest unit type.	
P1-14		
P1-20	Removed work in garage as this is shown on the garage permit set.	
P1-21	Removed work in garage as this is shown on the garage permit set.	
P1-22	Removed work in garage as this is shown on the garage permit set. Added guest unit type.	
P1-23	Removed work in garage as this is shown on the garage permit set.	
P1-24		
P1-30	Removed work in garage as this is shown on the garage permit set.	
P1-31	Removed work in garage as this is shown on the garage permit set.	
P1-32	Removed work in garage as this is shown on the garage permit set. Added guest unit type.	
P1-33	Removed work in garage as this is shown on the garage permit set.

P1-40	Removed work in garage as this is shown on the garage permit set.	

P1-41	Removed work in garage as this is shown on the garage permit set.	
P1-42	Removed work in garage as this is shown on the garage permit set. Added guest unit type.	
P1-43	Removed work in garage as this is shown on the garage permit set.	
P1-44		
P1-50	Removed work in garage as this is shown on the garage permit set.	
P1-51	Removed work in garage as this is shown on the garage permit set.	
P1-52	Removed work in garage as this is shown on the garage permit set.	
P1-53	Removed work in garage as this is shown on the garage permit set.	
P1-54		
P1-60	Removed work in garage as this is shown on the garage permit set.	
P1-61	Removed work in garage as this is shown on the garage permit set.	
P1-62	Removed work in garage as this is shown on the garage permit set.	
P1-63	Removed work in garage as this is shown on the garage permit set.	
P1-64		
P6-01	Revised riser diagrams.	
P6-02	Revised riser diagrams.	
P7-00		
P7-01	Revised guest unit types.	
P7-02		
P7-03		
P7-04	Revised unit types	
P7-05	Revised unit types	
P8-01		
ELECTRICAL		
E0-01	Revised site lighting per owner comments. Added FSD to Fire Alarm Symbols Legend.	
E0-10	Revised height of site lighting poles. Revised location of transformers.	
E0-11	Revised photometrics per 15 feet pole heights.	
E1-10	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-11	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-12	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-13	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-14	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-20	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-21	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-22	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-23	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-24	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-30	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-31	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-32	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-33	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-34	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-40	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-41	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-42	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-43	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
P1-44	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	

E1-50	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-51	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-52	Revised D-3 hallway fixture. Added and adjusted exit lighting and devises. Removed all work associated with Garage. Garage is under a separate permit.	
E1-60	o Revised CU locations to match mechanical.	
E1-61		
E1-62		
E1-63		
E1-64		
E7-01	Revised location of SMC box. Adjusted a few switches and outlets.	
E7-02	Revised location of SMC box. Adjusted a few switches and outlets.	
E7-03	Revised location of SMC box. Adjusted a few switches and outlets.	
E7-04	Revised location of SMC box. Adjusted a few switches and outlets.	
E7-05	Revised location of SMC box. Adjusted a few switches and outlets.	
E7-06	Adjusted exit lighting and FCU locations to match mechanical.	
E8-00	Added room name locations and wire sizes.	
E8-01		
E8-02	Revised entire sheet.	
E8-03		
E8-10	Added room name locations.	
E8-20	Added DAS system notes.	
E8-30		
E9-00	Revised panel schedule.	
E9-10	Revised panel schedule.	
E9-20	Revised panel schedule.	
E10-00
